At a time when "Saturday night" is called into question, Tijuana Hercules's latest extended-play "Evening Dressings" is here to escort you into oblivion. This one finds the band further pushing its patented "hillbilly trance" *modus operandi*: a greezy sensory deprivation chamber of **boundary-busting blues**, **spaghetti-strung grooves**, and **tangled psychedelic roots music**.

Mixing the **American Vestapol finger-picking guitar style** of the 1850s with the **space-age sound of synthesizer and theremin** - along with a tasty dash of **junk percussion** - "Evening Dressings" comes to a boil in a down-home, **gamma-radiated stew**.

Tijuana Hercules is the brainchild of singer / songwriter / guitarist **John Vernon Forbes** of **Mount Shasta**, one of the pioneering acts of **SKiN GRAFT Records**. Their latest releases are a pair of collections that highlight the band's diversity: **Bloodshot Records' Six Pack to Go** 7-inch singles compilation (alongside **Deer Tick**, **Elizabeth Cook**, **Kelly Hogan**, and **Guided by Voices'** **Robert Pollard**) and **SKiN GRAFT's Chicago VS New York** compilation featuring **The Flying Luttenbachers**, **Cheer-Accident**, **Bobby Conn** and **Child Abuse**).

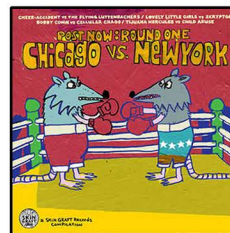

### : SELLING POINTS :

- Tijuana Hercules features **John Vernon Forbes** of **SKiN GRAFT** pioneers **Mount Shasta** & a stunning cast of players who have done time in such noted outfits as the **Hairy Patt Band**, **Country Teasers**, and **Obama White House** horn band regulars the **Black Bear Combo**.

catalog # GR139CD

**TERMS**, a socially-distanced band, deals in dissonance. Arriving by way of Tampa Bay, Florida and St. Louis, Missouri - **TERMS** is **Danny Piechocki** and **Christopher Trull** - and "**Hoarder of Operations**" is their **SKiN GRAFT Records'** debut. Having served in acts such as **Grand Ulena**, **Jitters** and **Yowie**, **TERMS** bring a wealth of experience and a hearty dash of the unexpected to the operation table.

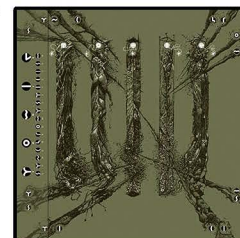

"Set your minds to 'boggled' - If math rock is about writing rock music that screws with the genre's typical conventions, **TERMS'** debut EP is a blindingly shining example."

**- FECKING BAHAMAS**
