"Japan's Tatsuya Yoshida has seen it all... (and) is easily seen as a godfather of today's blossoming art-rock-noise-pop scene" - PITCHFORK

"...takes punk and prog-rock to the opera house for an immaculately arranged mosh pit... simultaneously challenging and fun" - NPR

**KOENJIHYAKKEI's THIRD ALBUM REVAMPED, REVISITED AND ON VINYL FOR THE FIRST TIME**  
Years after its original 2001 release, band leader Tatsuya Yoshida and the current Koenjihyakkei line-up (as heard on "Dhorimvishka") returned to the "Nivraym" master recordings and went to work - adding new flourishes, additional overdubs and re-recorded drum tracks. Now, for its first ever vinyl release, the album has been remixed, remastered and re-sequenced for this revolutionary revisitation - the band's purest, most uncompromising expression of Zeuhl music to date; blending progressive rock, symphonic rock, fusion and neoclassicism with the energy of hardcore punk, the volume of metal and the attitude of rock in opposition.

"Repeated listens reveal a calculatingly precise logic behind each and every mad progression, giving the band's colorful music a sense of arresting inevitability" - BANDCAMP DAILY
