

YOWIE SYNCHROMYSTICISM

Pad-Printed CASSETTE TAPE with SEVEN Panel J-CARD / CD / Colored VINYL LP & 22" Poster / DIGITAL

Since 2000, St. Louis' YOWIE has been perfecting a unique form of progressive rock that incorporates complex polyrhythms and guitar dissonance. Operating within its own unique idiom, YOWIE rejects rock music's typical foundation of common time signature and standard melodic structures. This album marks a new level of ambition in terms of conceptual complexity, synthesizing opposing compositional approaches into a distinctive style that simultaneously elicits feelings of euphoria, perplexity, dread... and an inexorable urge to dance.

"The climax of rock music. In the dozens of times I've listened to this album I've never heard the same album twice" - **Loving Peter Cetera**

"Could match any tech metal or grind band in a contest for intensity. It will shake you to your core" - **Bearded Gentlemen Music**

"To say that Yowie exists outside of genre understates the band's utter lack of convention" - **STL Mag**

Pili Coit LOVE EVERYWHERE

Pad-Printed CASSETTE TAPE with SEVEN Panel J-CARD / DIGITAL (Colored VINYL LP coming in 2023)

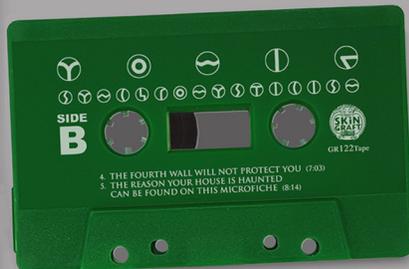

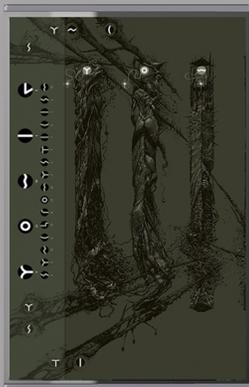

On paper, Lyon's Pili Coit sound simple enough: Jessica Martin Maresco (of Le Grand Sbam) on floor tom, oil can, synth, drums and vocals - plus Guilhem Meier (of Poil) on guitar and vocals. On record, Pili Coit come together.

Immersed in napalm, Pili Coit invite you in, as they sow, in spite of themselves, home made remedies to the heavy and immutable mechanics of things.

For fans of... Nick Drake, Royal Trux, Nina Hagen, X, Koenjihyakkei, Portishead, Le Grand Sbam, Unrest, Jeff Buckley, Beach House, Poil

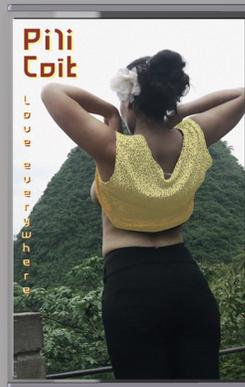

"The ingenious team's ineffable beauty is on display again and again, as an opulent wealth of voices season their extravagant, minimalist instrumentation... PILI COIT, to my heart" - **Saiten Kult**
