"CRANK UP THE VOLUME, SMASH THAT PLAY BUTTON AND GET READY TO BE FUCKED" - FANGORIA

Delivered via the manic pedalboard wizardry and sophisticated finger work of guitarist Tommy Meehan (Cancer Christ, Deaf Club, Cartoon Network) and the utterly brutal and savage drumming of Seth Carolina (Starcrawler), SQUID PISSER's tightly controlled, futuristic hardcore-onslaught of amped-up rainbow vomit is a thing of throbbing, mucous-laden beauty. Conceptualized and formed in 2022, SQUID PISSER decided to fully utilize planet Earth's viral slumber in order to gestate, write and record - resulting in the opening salvo "My Tadpole Legion" (Three One G / Sweatband) and a spattering of live shows, already the stuff of legend.

First 500 copies on TRANSLUCENT BRUISE colored vinyl!!

SQUID PISSER will continue their live assault and make their SKIN GRAFT Records premiere with "Vaporize A Neighbor", a four-song EP packaged in a 24-page wraparound comic book sleeve and "Vaporize A Tadpole" a fifteen song CD, compiling the new EP, their debut LP "My Tadpole Legion" and unreleased bonus tracks. Guests include members of Melt-Banana, Tera Melos, Nekrogoblion and more.

"DON'T FEEL BAD, WE HAVE NO IDEA WHAT'S GOING ON EITHER" - DECIBEL

"SQUID PISSER IS HERE TO MAKE GRINDCORE WEIRD AS HELL" - METAL INJECTION

"ABSOLUTELY BATSHIT OFFERING OF DISCORDANT, CHAOTIC HARDCORE" - BROOKLYN VEGAN
